

Interfon-Entscheider Decision Makers Germany-Austria-Switzerland

Powered by: 
direct marketing merz

Description

With more than 1.000.000 personalised contacts from Interfon database you can reach directly executive managers from Germany, Austria and Switzerland. Whether family business, medium-sized companies, general administration or Group, the Interfon team of 35 experts qualifies the responsible decision - makers in top management and other specialised job titles, by telephone research on a daily basis.

Profile

The basis of this exclusive phone research-generated database are companies in Germany, Austria and the German-speaking part of Switzerland with more than 20 employees. During regular updates conducted by phone, Interfon generate valuable company characteristics and expert decision makers in selected industry fields. Special areas of activity (such as the health sector or public authorities), are researched separately, to qualify specific fields of information.

Available selects

Geo, Activity, Employee size, Job title...

RECOMENDED USAGE

Due to its deep and detailed qualification, this database of German Speaking world allows to present any offers adapted to medium and large corporations. And, with very detailed information and variety on job functions inside companies, this data source can adapt to any specific audience.
